

Hi Chamber Partner.

My name is Lou Mallers with Compass Mortgage. Compass Mortgage has been in DuPage County for 23 years and is excited to be a member of the Willowbrook/Burr Ridge Chamber.

I'm reaching out to all my Chamber Partners about a program that my company, Compass Mortgage, provides for companies and their employees. We partner with employers by offering as additional benefits for their employees. We are a mortgage banking firm, and we provide mortgages for purchases and refinance. Under this program, which we call our Corporate Homeownership Benefits Program we work with your employees in counseling them if they are first time homebuyers, help them find organizations that can provide down payment assistance programs and offer a \$500 credit on their closing costs. In addition, we provide lunch and learns and webinars to help your employees with both their home buying or refinancing opportunities.

This program is a co-branded program with the employer with no cost to the employer. We have found that this is a great tool for attracting and retaining good employees. It also shows your employees how much the employer cares about them. I would love the opportunity to connect with your HR group.

I look forward to working with you and opportunities to refer potential clients to you. Please feel free to reach out to me with any questions. Here is my contact information, loumallers@compmort.com. Phone 630-821-3516.

I look forward to partnering with you and look forward to being a trusted partner with you and your employees.

- Lou
